

# Membership Has Advantages!

Members of the Lake Havasu Area Chamber of Commerce are eligible to participate in the Member-to-Member Discount Program. Participating members may extend a special offer or discount to other Chamber members. Your offer will appear as part of your listing on the Chamber website, and in the Member-to-Member Discount directory that is linked to from the monthly Chamber e-newsletter.

The offer must be unique to the Chamber of Commerce Member-to-Member Program; it should not be an offer available to the general public through other ads or promotions. This will help participating members accurately track their offer's results.

## Benefits of the Program:

- Saving you money on products or services you use on a regular basis.
- Stimulating awareness among fellow Chamber members about your business, products, and or services.
- Increase business activity among the Lake Havasu Area Chamber members.

**To be included in the Member-To Member discount directory, please complete the following information and return to the Chamber office.**

Business Name \_\_\_\_\_ Contact \_\_\_\_\_

Address \_\_\_\_\_
